- **Aggressive Goal Setting** for self and the team members; track and guide them to achieve the goals.
- Consistent involvement in **review and training programs** for Fresher and lesser-experienced engineers.
- Process-centric and believes in **learning from others experience and letting others learn from our experience**.
- Excellent **research oriented**, Self-motivating, energetic and enthusiastic to find alternative solutions.
- Having Exposure to IT and Software Corporate training domain technology are **Data Science, AI & ML with Business Analysis, Deep Learning, NLP, Cloud Computing (AWS Cloud) with Linux, Cyber Security, Drone Technology, Full stack Python/ Java, Full Stack Web Development Using Python with Django, MERN Full Stack Web Development, Data Base, SQL, PL/SQL, Networking, Operating System, Basic Induction Refreshers Corporate Training on (C & C++), Corporate Training on Basic & Advanced Excel** for fresher's Engineer and Experienced Participants.
- Experience to handle varieties of platforms (**Windows, Linux and UNIX**) and technologies.
- Experience to conduct multiple training assignments on **Computer Hardware and Networking**.
- Working experience as a **Project Guide** for numerous **Final year and Major projects** for different academic courses (E.g. ME, M.Tech, MCA, BCA, BE, B.Tech, M. Sc. (CS/IT) levels etc.) Since 2008.
- Working experience as a **Mentor and Guide** for numerous batches for preparation of **Technical Interview Round** Since 2012.
- Working experience as a **Mentor and Guide** for numerous batches for different subjects and semester papers of Computer Science, Information Technology etc since 2012.
- Working experience to conduct different **Seminars, Symposiums, Workshops etc** at different organizations since 2005.
- Working experience as a **Mentor and Guide** for National Level Examination preparations, e.g. Graduate Aptitude Test for Engineers (GATE) for Computer Science and Information Technology since 2014.
- He is also GATE Trainer & Campus Placement Guide for CSE/ IT students as well as Management Professional Guidance to Management Students for Career Development and Advancements.
- He has attended and conducted several Technical Seminar and workshop in different areas of interest and project supervised to BCA/MCA/BTECH students as their project Mentor for enhance their skill development. He has a capacity of efficient team member, Hardworking and quick Learner and Good Leadership quality.
- **Author of Computer Books**
 - I have almost completed the script of THREE books in Computer Sc. and Engineering course curriculum of WBUT and others University of India (will be published very soon). These books are:
 - 1. The Computer Algorithms-Analysis and Design**
 - 2. The Fundamentals of Data Exchange and Broadcast Networking**
 - 3. The Elementary idea of Data Structures and Algorithm**
